The Honorable Tom Cole
Chairwoman
U.S. House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hibbing Water, Access, Treatment, Expansion, & Reliability Projects (Hib-WATER) in fiscal year 2026. The entity to receive funding for this project is Hibbing Public Utilities Commission, located at 1902 E 6th Avenue, Hibbing, MN. The funding would be used for upgrades to the water treatment system and well field. The project is an appropriate use of taxpayer funds because it will help maintain drinking water standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.
Sincerely,

Pete Stauber
Member of Congress
Minnesota's Eighth Congressional District
