The Honorable Tom Cole  
Chairman  
U.S. House Committee on Appropriations  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
U.S. House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Harris Municipal Water System Improvement and Water Main Looping Project in fiscal year 2025. The entity to receive funding for this project is the City of Harris, located at 43970 Ginger Ave, Harris, MN. The funding would be used for improvements to the municipal water distribution system. The project is an appropriate use of taxpayer funds because it will improve water infrastructure that serves local households and businesses.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pete Stauber  
Member of Congress  
Minnesota's Eighth Congressional District
