

Congress of the United States
House of Representatives
Washington, DC 20515-2308

March 20, 2026

The Honorable Tom Cole
Chairman
U.S. House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Beaver Bay Wastewater and Drinking Water Improvements in Fiscal Year 2027. The entity to receive funding for this project is the City of Beaver Bay, located at 711 MacDonald Ave, Beaver Bay, MN 55601. The funding will be used to rehabilitate failing water and wastewater infrastructure to address public health risks, regulatory violations, and environmental impacts to Lake Superior.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pete Stauber
Member of Congress
Minnesota's Eighth Congressional District
