The Honorable Tom Cole
Chairman

Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Bemidji Infrastructure Development in Fiscal Year 2027. The entity to receive funding for this project is the City of Bemidji, located at 317 Fourth Street NW, Bemidji, MN 56601. The funding will be used to [short description from Project Description install sewer mains, water mains, water service lines, storm sewers, and catch basins in this area. The project is an appropriate use of taxpayer funds because the extension of utilities will serve the City's growing needs for decades to come.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pete Stauber
Member of Congress
Minnesota's Eighth Congressional District
