The Honorable Tom Cole
Chairman
U.S. House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Highway 95 Reconstruction Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Cambridge, located at 300 3rd Avenue NE, Cambridge, MN 55008. The funding will be used to fully replace aging municipal utilities along the entire length of the Highway 95 project limits. The project is an appropriate use of taxpayer funds because it improves the reliability of utilities and protects public health.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pete Stauber
Member of Congress
Minnesota's Eighth Congressional District
