The Honorable Tom Cole
Chairman
U.S. House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Emily Roosevelt Drive Bridge No. L2877 Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Emily, located at 39811 State Highway 6, Emily, MN 56447. The funding will be used to replace a bridge in Emily, MN, with a single-span concrete-beam bridge. The project is an appropriate use of taxpayer funds because continued reliance on a deteriorating, load-restricted bridge exposes 80 residents to isolation and risk.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pete Stauber
Member of Congress
Minnesota's Eighth Congressional District
