The Honorable Tom Cole
Chairman

The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hill City Watermain Improvements & Looping Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Hill City, located at 125 Lake Ave, PO Box 160, Hill City, MN 55748. The funding will be used to ensure continued compliance with state drinking water standards and protect public health by maintaining adequate pressure, improving water quality circulation, and reducing the risk of service disruptions.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pete Stauber
Member of Congress
Minnesota's Eighth Congressional District
