The Honorable Tom Cole
Chairman
U.S. House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Moose Lake Housing Development Public Infrastructure Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Moose Lake, located at PO Box 870, Moose Lake, MN 55767. The funding will be used to extend municipal water and sanitary sewer mains, install a stormwater collection and management system, and construct new public streets. The project is an appropriate use of taxpayer funds because it invests in core infrastructure that protects public health, safeguards water quality, and enables long-term community benefit.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pete Stauber
Member of Congress
Minnesota's Eighth Congressional District
