The Honorable Tom Cole
Chairman
U.S. House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the CR 50 and Hwy 61 Intersection Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is Washington County, located at 14949 62nd Street North, Stillwater, MN 55082. The funding will be used to improve the intersection of County Road (CR) 50 (202nd Street) and Trunk Highway (TH) 61. The project is an appropriate use of taxpayer funds because it will significantly improve safety and protect one of the region's most important trail connections.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pete Stauber
Member of Congress
Minnesota's Eighth Congressional District
